Parish Priest of Parrocchia Santa Maria Regina della Pace

Dearest Fr. Lito,

Good day Father. Firstly, the Pardo Elementary School Special Education class, teachers Adeline Gabuya, Michille Martinez and Ronith Parba, would like to thank you and all our Italian benefactors for our recently finished Sensory Room. This room plays a very vital role to our students' physical and social development.

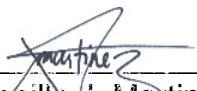

Secondly, we heard that you are in the Philippines visiting your family. We hope you could find some to visit us if ever you happen to be in Cebu. We are excited to show you our fully reconstructed Sensory Room and all the equipment and developmental toys.

Lastly, we have attached a short video and some pictures of the precious gift that you have given the students of Pardo Special Education class.

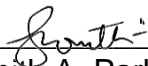

Again, we all thank you and all our benefactors. May God bless and keep you safe always.
